Attention to detail, wide curriculum, options for various other subjects

One of the best learning experience . All the teaching and non teaching staff is very energetic and kind to resolve all your queries regarding the course and administration procedures.

All are good ...

1. Filed learning/filed study sessions will be more helpful to get the real experience as per the theoretical concepts.
2. Assignments where students can do some actual market surveys and analysis.
3. Bringing in more new concepts which are currently used in industries which Students are usually not aware of.

Lack of Coordination Among the teachers

Most teaching. Using the education app ex. Google classroom.

More digitalisation required

Overall teaching quality is to great extend. Teachers are always there to reach out in need.

As such there are no suggestions

1. PDF notes for each subject.
2. MCQ test every month for students.
3. General awareness lectures (news report).

Overall good

very good

Observations :

- 1 Teachers are always helping and kind.
- 2 Staff plays important role and the office staff is so helpful in our institute.
- 3 Proper facilities with great guidance.

Good Learning experience

Nothing, all good.

Institution does the best for every students according to their comfort and requirement.
