Farewell Celebration 2026

The First-Year MBA students organized a memorable Farewell Celebration for the outgoing Second-Year MBA students on 11th July 2026. The event was thoughtfully planned to celebrate the achievements, friendships, and memorable journey of the graduating batch while wishing them success in their future endeavours.

The programme commenced with a warm welcome to the faculty members and the graduating batch. Faculty Members and seniors shared their memorable experiences, valuable lessons, and aspirations while juniors conveyed their best wishes. The interactive session created an emotional bond between both batches and provided an opportunity to cherish the memorable moments spent together.

The celebration also featured the 'Hand Print activity', during which the graduating students left colourful handprints on a commemorative canvas. This creative keepsake will serve as a lasting memory of the graduating batch and their contribution to the institute.

Adding an element of fun and teamwork, the 'Snapshot Hunt activity' encouraged participants to complete creative photography challenges by capturing memorable moments across the campus. The activities fostered collaboration, enthusiasm, and created lasting memories for everyone involved. Some fun activities like "Sangeet Khurchi" & "In and Out" activity were also conducted.

The event concluded with a Refreshment, where students and faculty interacted informally, shared experiences, clicked group photographs, and celebrated the strong bonds developed during their MBA journey.

The farewell programme was a perfect blend of celebration, appreciation, and nostalgia. The management and faculty appreciated the sincere efforts of the First-Year MBA students for organizing a meaningful and memorable farewell for their seniors and wished the graduating students continued success in their professional and personal lives.
